## About Me

I'm a passionate and motivated frontend developer with a strong desire to grow and excel in the web development field. I'm hardworking, quick to learn new technologies, and dedicated to building creative and efficient digital solutions. I have experience creating a variety of user-friendly websites by leveraging both my frontend and backend knowledge.

## PROJECTS

- **E-Commerce Website -** Developed a fully responsive online store with product listing, cart, and checkout functionality.
- **Travel Agency Website -** Built an interactive site showcasing travel packages, booking features, and an admin panel for managing content.
- **Plant Care Website -** Created a user-friendly platform providing plant care tips and plant management tools.
- **Study Website -** Developed an educational website with resources, assignment submission, and interactive learning features to view and learn from other student's assignments.
- **Personal Portfolio -** Designed and implemented a portfolio site to showcase projects and skills.
- **Other Projects -** Built various small-scale websites applying frontend skills.
